SIR,

With reference to the marginally noted Government Orders sanctioning estimates for the construction of a mosque at Maddur and repairs to the damaged groynes at Vaidyanathapura, I have the honor to state that a sum of Rs.2308-8-0 was available out of the current year's State and General Muzrai Fund grant as some items for which allotments were made, could not be sanctioned for want of estimates. As these works are already sanctioned and payment of the available amount to these works this year alone would release next year's grant to that extent, I have requested the Deputy Commissioner, Mysore District, to arrange to draw and credit the amounts noted against the two marginally noted institutions this year alone to the respective institutions. I request that this may be approved.

1. G.O.No.L.8319-22/L.B.21-34-27 dated 28/30-5-35 For repairing the groynes at Vaidyanathapura, Maddur Taluk.

With reference to your letter No.8668 dated 21st February 1933 suggesting the adoption of a modified design for the above work I have the honour to forward herewith modified estimate for Rs.7028/ prepared by the Executive Engineer Mysore Division and received with Mysore District Deputy Commissioner's letter No.H.626/28 dated 9th March 1934. The modified design suggested by you results in an excess of Rs.1928-0-0 and Government will have to contribute Rs.4005/- against Rs.3023/- contributed by the devotees.
